

2017/2018 Kindergarten Registration

If your child's birthday falls between August 1, 2011 and July 31, 2012, you may register him/her for kindergarten for the **2017-2018 school year**.

(See listing at right.) For registration, you will need to bring your child's:

State Birth Certificate*
Immunization Record
Social Security Card
Proof of Residency**

At the time of registration, the elementary school representative will take information about your child and copy the documents.

The school nurse will discuss immunization needs with you.

You will be asked to fill out information about your child and to pinpoint your residence for transportation.

*The birth certificate must be the **Official State Birth Certificate** with the raised seal. The hospital certificate that you received when your child was born **WILL NOT** be accepted and you **WILL NOT** be allowed to register at that time.

To obtain a copy of your child's birth certificate, contact:

Franklin County Health Department
414 E. Main Street
Union, MO 63084
636-583-7300

Hours: 8:00 a.m. to 4:30 p.m. (M-F)

You will need to fill out an application and your certificate will be ready within 10-15 minutes, depending on how many requests are being processed at that time. Cost: \$15.00

** Proof of residency includes current Rental Contract signed by all parties, Real Estate Contract signed by all parties, Utility Bill, W-4 or Personal Property Tax Receipt. Please see Board Policy JEC & Policy JECA for admission and residency guidance.

Franklin County Health Department

The Franklin County Health Department will provide services by appointment only for immunizations, temporary Medicaid, TB testing, and HIV testing. Please call 636-583-7300 to schedule an appointment.

From the desk of:

Barb Heger, R.N.,

District Health Coordinator

Meramec Valley R-III School District

Children will not be accepted into kindergarten unless the following requirements are met:

DTaP: (Diphtheria, Tetanus, Pertussis) 4+ doses, last DTaP after the age of 4.

IPV: (Polio) 3+ doses, last dose given after the age of 4.

MMR: (Measles, Mumps, Rubella) The child must have 2 doses, the first one given after the age of one.

Hep B: (Hepatitis B) Series of 3 before entering kindergarten.

Varicella: (Chicken Pox) 2 doses are a requirement for children entering school, or a written statement from a licensed doctor of medicine (MD) or doctor of osteopathy (DO), documenting the month and year that the child had chicken pox disease. As of 2010, parental or guardian statements of disease will no longer be accepted for children entering kindergarten.

Eye Exam: A comprehensive vision exam completed by an ophthalmologist or optometrist is recommended.
