# Frequently Asked Questions:

## What to expect at the time of registration?

*At the time of registration, you must present the documents listed below.* School office staff will take information about your child and copy the documents presented for his/her permanent file.

## Immunization Records for your child.

Children will not be accepted into kindergarten unless the following requirements are met:

- **DTaP:** (Diphtheria, Tetanus, Pertussis) 4+ doses, last DTaP after the age of 4.
- **IPV:** (Polio) 3+ doses, last dose given after the age of 4.
- **MMR:** (Measles, Mumps, Rubella) The child must have 2 doses, the first one given after the age of one.
- **Hep B:** (Hepatitis B) Series of 3 before entering kindergarten.
- **Varicella:** (Chicken Pox) 2 doses are a requirement for children entering school, or a written statement from a licensed doctor of medicine (MD) or doctor of osteopathy (DO), documenting the month and year that the child had chicken pox disease.
- **Eye Exam:** A comprehensive vision exam completed by an ophthalmologist or optometrist is **recommended**, but not mandatory.

The Franklin County Health Department will provide services for immunizations, by appointment only. Please call 636-583-7300 to schedule an appointment.

## Official Birth Certificate

The birth certificate must be the Official State Birth Certificate with the raised seal. The hospital certificate that you received when your child was born cannot be accepted.

To obtain a copy of your child's birth certificate, contact:

**Franklin County Health Department**
