

Meramec Valley R-III Summer Journey™ Course Offerings

All **Academic Courses** (Language Arts, Mathematics, Reading, Science and/or Social Studies) are offered during morning sessions. All **Journey Courses** are offered during afternoon sessions. Students participate in *Journey* courses for two week blocks, enabling every student to participate in six *Journey* courses.

Kindergarten

(students entering K in the Fall)

Adventures in My Own Backyard

Kindergarten “explorers” respond with fascination and wonder as they explore habitats typically found in their own backyard. Students’ knowledge of the natural world is fostered along with concepts such as color and shape recognition, fine-motor development, phonemic awareness, and counting and sorting. This unit offers multi-level activities and is appropriate for districts with a wide variance in student population, including children with little or no previous school experience.

3-2-1 Blast Off!

We’re blasting off into fun and learning during the afternoon portion of the Summer Journey program. After enjoying a daily quiet time under the stars, students rotate through different playful planets and participate in astronaut training camp. From creating silly aliens to designing outer space rockets, this course offers an out-of-this-world experience!

Primary

(students entering grades 1, 2, 3 in the Fall)
